

Gum Removal

www.pressurewashingla.com

Do your sidewalks and forecourt look like this?
Is your business all gummed up?

Spit It Out Now!

- Gum spots make your business unappealing, uninviting and trashed out.
- Gum spots & stains make your place of business look like an ashtray or sewer.
- Hundreds of gum spots can cause on-going damage to the cement surface costing thousands of dollars for replacement or re-surfacing.
- Gum build up can also cause slip & fall accidents and legal action. Negligence is easy to prove.

Benefits!

- Reduce the potential for accidents & insurance claims & increased premiums
- Clean/clear gum on a regular basis to keep maintenance costs under control; long term.
- Gum removal can actually destroy cement pads and walk ways if not removed frequently & correctly. It may take months to remove gum completely in some cases.
- Improve your business image: **Moderate gum build up will lead to major gum build up**
Power washing only: does not lift gum spots/stains completely
